

1. Welcome

Thank you for your interest in becoming a Top 100 UK social enterprise!

The team at <u>Pioneers Post</u> is pleased to welcome your nomination for our NatWest SE100 Index & Social Business Awards 2025, delivered in partnership with <u>NatWest Social & Community Capital</u>.

How does the application work?

In this form, you will find a series of questions designed to find out more about your organisation and why you should be in this year's Top 100.

Please be as thorough as you can in answering these questions. Those marked with an asterisk are compulsory. However, even though some questions are optional, the more answers you provide, the more points can be awarded to you during the judging and due diligence process.

To be eligible for the Top 100 Index and all/any of the awards, applicants must fill in AT LEAST pages 2 to 4. After that, your overall SE100 score will be higher if you also answer the additional sections.

To stand a chance of being shortlisted or winning one of this year's awards you must complete the relevant section. You must also provide copies of your full annual accounts (balance sheet and P&L), and (if you have one) your latest impact report, all of which will be treated in confidence. We also ask you to provide us with photos illustrating your work, which will help our judges and may be used in our stories if you are successful in reaching one of our awards shortlists.

Please note: we are looking for you to tell a great story about your organisation and your achievements during the past year, but remember that we also need <u>clear examples</u> of outcomes, <u>facts and figures</u> to back up your claims!

What else can you expect in this form:

- page 2: All about your organisation (compulsory for all top 100 entries)
- page 3: Financial information (compulsory for all top 100 entries, with specific questions for Social Business Champion and Pioneering Newcomer awards)
- page 4: Managing your social impact (compulsory for top 100 & for Impact award)
- page 5: Equality, Diversity and Inclusion (compulsory for Diversity award)
- page 6: Social investment (compulsory for the Social Investment award)
- page 7: Leadership questions (compulsory for Leadership award)
- page 8: Environmental questions (compulsory for the Climate award)

5. Equality, diversity and inclusion

This part of the survey is designed to explore the commitment and leadership of social purpose organisations to equality, diversity and inclusion (EDI). It is informed by the work of several pioneering organisations working to achieve equity and social justice in the impact sector; however, it is important to acknowledge that this set of questions is not comprehensive in its coverage of EDI issues. As with other parts of the survey, we encourage all applicants to answer these questions since they will also help you score more highly in the Top 100 Index. You **must** provide answers for this section if you wish to be considered for the Diversity award.
