

THE NATWEST SE100 INDEX 2020 A-Z

The NatWest SE100 is brought to you by Pioneers Post, in partnership with NatWest Social & Community Capital. The SE100 Index is our annual list of the 'top 100' UK social enterprises, selected from almost 300 enterprises who submitted their data and in-depth answers for our SE100 Awards survey.

Selection for the top 100 is based on a range of criteria, including business performance and impact management/measurement information, as well as looking at areas such as leadership, resilience and marketing.

NATWEST SE100 TRAILBLAZING NEWCOMERS 2020

This is the first year we have published a special 'top 25' list of NatWest SE100 'Trailblazing Newcomers'. The social enterprises named below have been selected as 'ones to watch' from the start-ups who apply for our SE100 Awards.

We classify newcomers as those enterprises that have been running for less than three full accounting years.

As with the 100, selection for the top 25 is based on a range of criteria, but particularly considers growth and impact.
