1. Welcome

Thank you for your interest in becoming a Top 100 UK social enterprise!

Pioneers Post & NatWest S&CC

The NatWest SE100 & Social Business Awards are delivered by Pioneers Post, the social enterprise magazine, in partnership with NatWest Social & Community Capital.

How does the application work

In this form, you will find a series of questions designed to find out more about your organisation and why you should be in this year's Top 100.

Before you begin the survey, you will find it helpful to gather some documents such as your annual accounts and any impact information you have, which will help you provide accurate answers.

(NB You can update your answers until you complete the survey. You can also return to the survey to pick up where you left off and/or edit previous responses until you click the "Done" button at the end).

Please be as thorough as you can in answering these questions. Those marked with an asterisk are compulsory. However, even though some questions are optional, the more answers you provide, the more points can be awarded to you during the judging and due diligence process.

Please note that to be eligible for the Top 100 Index, all applicants must fill in AT LEAST pages 2 to 4.

After that, your overall SE100 score is likely to be higher if you also answer the additional sections. If you want a chance to win one of the six awards you must complete the relevant section - and must please be provided with copies of your full annual accounts (balance sheet and P&L), which will be treated in confidence.

Please note: it is always tempting to tell a great story, but remember that we need <u>clear examples</u> of outcomes, <u>facts and figures</u> to back up your claims!
